**SUBJECT: Road Closed – No Driveway Access
City Project No. 24-01**

Weather permitting, starting on **Monday, May 20th**, a large trench will be dug on Campbell Avenue between Birch Lake Avenue and 4th Street so the contractor can complete some sanitary sewer repairs. Campbell Avenue will remain closed to through traffic for dewatering. Select driveways on Campbell Avenue will be **inaccessible** for two weeks due the trench and utility work. Affected residents should have any cars, trucks, boats, etc. that will be needed during that time out of your driveway and garage. Please park these vehicles on Birch Lake Avenue or Fourth Street during that time frame.

If you have any questions or special requests, please contact our office at (651) 429-8531 or don't hesitate to talk to a City Employee or contractor on site.

Thank you for your patience and understanding.
