**SUBJECT: Road Closed – No Driveway Access
City Project No. 24-01**

Weather permitting, on **Wednesday, May 29th**, the contractor will be replacing some sanitary manholes. Select driveways on Campbell Avenue will be **inaccessible** for the day on Wednesday. Campbell Avenue will remain closed to through traffic for dewatering. Affected residents should have any cars, trucks, boats, etc. that will be needed during the day on Wednesday out of your driveway and garage by 7:00 am. Please park these vehicles on Birch Lake Avenue or Fourth Street during that time frame. We anticipate that you will have access to your driveway at the end of the work day.

If you have any questions or special requests, please contact our office at (651) 429-8531 or don't hesitate to talk to a City Employee or contractor on site.

Thank you for your patience and understanding.
