**City Project No. 24-01**

---

On Thursday, May 30th (weather permitting), the City will be replacing one more gate valve. This will require a temporary shutdown of your water supply.

The shut-off will affect **4747, 4755, 4754, 4746 and 4740 Wood Avenue** as well as **1890, 1882 and 1881 Third Street.**

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Thursday, May 30th. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.
