SUBJECT: **Water Shut Off on Friday, May 31st**
City Project No. 24-01

On Friday, May 31st (**weather permitting**), the City will need to disconnect your water service to perform sanitary sewer work. This will require a temporary shutdown of your water supply.

The shut-off will affect only **4745 Campbell Avenue**.

The water will be shut off at your residence beginning at 8:00 a.m. until approximately 12:00 p.m. on Friday, May 31st. Please draw any water before 8:00 a.m. for your use during this time frame.

We realize that shutting off the water is troublesome for everyone involved; however, we will make every attempt to have the water back on as soon as possible.

If you have any questions or special requests, please contact our office at 651-429-8531.

Thank you for your patience and understanding.
