TO: Residents on Krech Avenue, Second Street, Third Street and Wood Avenue

FROM: Dan Holzemer, Senior Engineering Technician

DATE: June 24, 2024

SUBJECT: **Paving**
City Project No. 24-01

Weather permitting, the contractor will begin paving the first lift of bituminous on **Tuesday, June 25th** on Krech Avenue, Second Street, Third Street and Wood Avenue. If we are unable to pave on Tuesday, they will pave on **Wednesday, June 26th**.

Please be aware that you will not be able to park on the street in the project area from **7:00am until 7:00pm**. Please ensure that you have all vehicles that you will need on a side street during these hours. We apologize for any inconvenience.

You will not be able to drive on the paved portion of the road until they have finished rolling the newly paved roads. WE ASK THAT YOU TAKE EXTREME CARE NOT TO MAKE SHARP TURNS ON THE NEW BITUMINOUS PAVEMENT.

- **WARNING**
New asphalt is very hot (**approximately 300°F**) when placed. Parents should keep children and pets from walking or riding bikes on the new pavement until it cools. Please talk to your children and explain about the paving and that they should stay a safe distance from the construction equipment.
- **SAFETY**
Due to the heavy traffic and general construction activity, we ask all parents to inform and make their children aware of the dangers of the construction sites. Please keep children a safe distance from all construction areas.
- **GARBAGE**
Your garbage and recycling will be picked up as scheduled. The hauler (Republic Services) will collect garbage and recycling in construction areas on schedule. Please report any missed pick-ups to: Utility Billing Clerk, Missy Hanson, at **(651) 429-8565**.

If you have any special requests, please contact our office at 651-429-8531 or direct any project-related questions to City staff on site.
